Subject: Requested Addition to Determination on Oregon's NPS Progress Letter

...

Hi Christine,

While thinking about work before [Ex. 6 - Personal Privacy] I just realized I should have included something about CZARA in the NPS progress letter for Oregon so requested that Bella include the following bullet under recommendations:

∇ EPA encourages Oregon to take the necessary steps to address the gaps and get to an approvable coastal nonpoint source pollution control program under CZARA Section 6217.
